

The Thomas Jefferson High School Alumni Association was founded in 1989. The purpose of the organization is to provide opportunities for alumni to get together to renew old memories but also, and most important, to provide support to our high school by awarding scholarships to academically talented Jeffersonians who want to continue their education at the college level.

To continue to give these scholarships, we need Jefferson graduates to join and support our association. The cost of a lifetime membership is a one time fee of \$25.00. This membership includes two newsletters a year with updated information about our alumni and school activities. Over 1400 Dragons have already joined. However we need your help to encourage more former Jeffersonians to apply for membership.

We do not collect yearly dues and we do not redistribute or sell our membership lists. Of course, the Dragon Society accepts donations: Platinum ... \$300.00 Gold ... \$100.00 Silver ... \$75.00 Blue ... \$50.00. The Honor and Memorial display has been created because many alumni wanted to give donations in memory or honor of their favorite teachers or classmates.

We have an email address where alumni may submit questions about anything pertaining to the Alumni Association or its functions.
